

(P. L. FLANIGAN)

No vote can be better placed than for P. L. Flanigan, Republican candidate for the United States senate, in opposition to the Democratic incumbent, Sir Francis Sharon Newlands. Mr. Flanigan is a man of the people, and for the people. From poverty he has worked himself up by the toil of his hands to a position where he now has hundreds of laborers on his pay rolls in factory, mine, and on farm, and no laborers in the state are better paid or treated. He has all the qualities of a man. His campaign has been clean, open and fearless, despite the dirty slanders of his opposition, and there has not a spot been found in his record. There is not a man in the state so well fitted to represent Nevada in the United States senate as is P. L. Flanigan. Vote for him today and honor your own ballot.

JAMES FORMAN WAS WED IN SAN FRANCISCO

Sam Forman yesterday received word of the marriage of his brother, James H. Forman, to Miss Flossie Silverstone of San Francisco. James H. Forman is well known in this city and his marriage comes as a surprise to his many friends here. Only to a few had he confided that he soon was to become a benedict, but these few were ignorant of the date. The San Francisco Examiner in describing the wedding says: Beneath a wedding bell of roses, in the presence of a merry throng of wedding guests, Miss Flossie Silverstone, petite and charming, yesterday afternoon became the bride of James H. Forman of Nevada. Judge I. Golden performed the ceremony at the home of the bride's sister, Mrs. A. Scheier, 3035 Washington street. After the ceremony a wedding breakfast was served, following which Mr. and Mrs. Forman left on the Sunset express for the south.

A graduate of the girls' high school, one of the most finished pianists in San Francisco, Miss Flossie Silverstone enjoyed a wide popularity that made itself manifest in many rich wedding gifts to "Mrs. James Forman." Not alone in wedding gifts was her friends' affection expressed. Much rice and many old shoes were tossed into the automobile that started the bride and bridegroom on their happy nuptial journey, returning from which they will come to live for a while in San Francisco before going to Mr. Forman's home near Tonopah.

James H. Forman is well known in mining circles of the silver state. Prominent as the vice president of the Mohawk mine, he has since eclipsed that prominence with exploitations of mines of his own. Near one of his properties he has builded a home for his bride, and there they will reside permanently.

NO USE TALKING ABOUT ED MALLEY BECAUSE EVERYBODY IS GOING TO VOTE FOR HIM. THE RIGHT MAN IN THE RIGHT PLACE.

GYMNASIUM IS WELL UNDER WAY

The volunteer fire department yesterday received a \$50 check from the Tonopah and Goldfield railway, contributed for the purpose of furnishing the gymnasium.

The gymnasium is being built rapidly. The frame work is completed and the work of shingling the roof will be started this morning. The building should be completed and ready for occupancy inside of ten days.

The Nevada Club will post full election returns, received by special wire, Tuesday night.

INDICTED FOR MURDER OF F. CISCILINI

The grand jury yesterday morning returned an indictment against Fred Newton of Round Mountain, charging him with the murder of Frank Ciscilini, who was shot and killed at the latter place some days ago. His bonds were fixed at \$5000. Immediately after returning the indictment the grand jury was dismissed, subject to the call of the court. It will probably be called together some time the latter part of this week, in order to investigate the case of William Turner, Pat Flanigan and Tom Conifrey, who were bound over to that body on the charge of highgrading.

DON'T FORGET THAT OLD REPUBLICAN WAR HORSE—BOB GILBERT—WHEN YOU VOTE TUESDAY.

The ladies of the Presbyterian church will give a turkey dinner this evening in the Sollenard building on lower Main street. The proceeds will be used in the charity fund of the church. The dinner will be largely patronized by the hungry politicians, who invariably forget when meal time comes around.

COL. H. B. MAXSON IS THE REPUBLICAN NOMINEE FOR CONGRESS. REMEMBER IT TUESDAY.

A NEW BILL AT BUTLER THEATRE

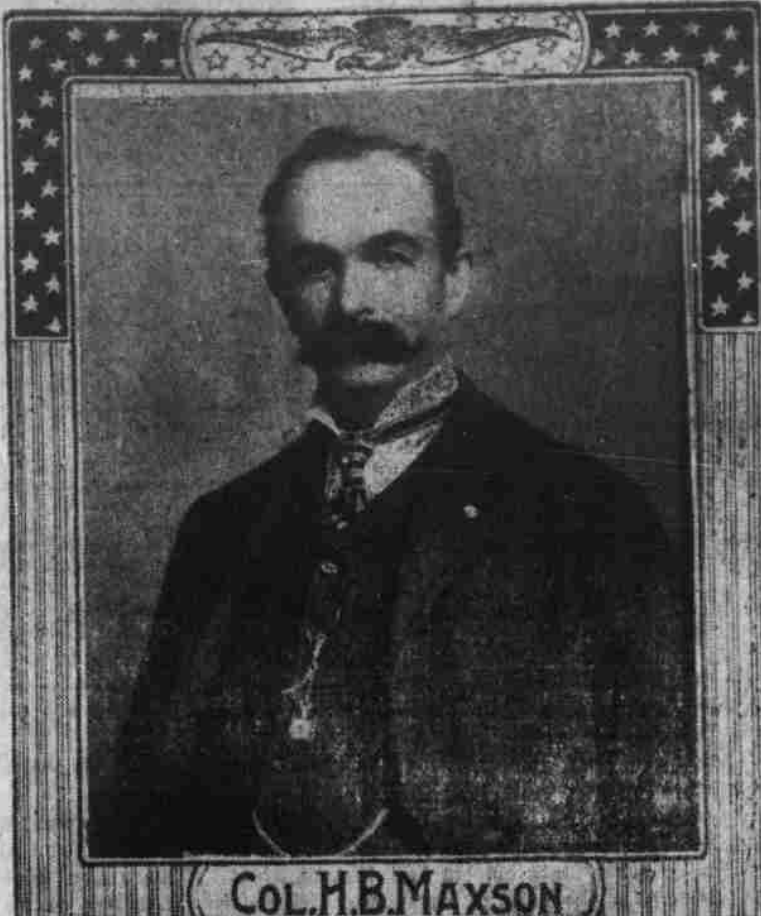

The new show tonight at Manager Alphin's cozy little theater, is a musical comedy entitled "An Awful Mixup," arranged and staged by Al G. Flournoy. It is full of musical numbers by the beauty chorus and specialties by Mildred Manning, Jean Hathaway, Will Murphy and Sim Kerner.

This comedy is for laughing purposes only and will prove one of the hits of the season.

Al G. Flournoy will appear as Christopher Blizzard, a part made famous by that great comedian, Nat C. Goodwin, who played the part for several seasons. Don't fail to see "An Awful Mixup" if you want to laugh.

Richardson's will place on sale today a large line of muslin underwear, gowns, chemise, drawers and also a line of knit underwear for winter. Everything at less than cost.

GEO. W. SUMMERFIELD IS THE RIGHT MAN FOR THE STATE SENATE.

(COL. H. B. MAXSON)

While voting the Republican ticket today, the name of that sterling gentleman, Col. W. B. Maxson, candidate for congress on the Republican ticket, must not be overlooked. It is very necessary that when Nevada has but one congressman, that congressman should belong to the majority party in the lower house—which is overwhelmingly Republican. A Democratic congressman can not hope to secure the recognition accorded to a Republican congressman in a Republican congress, and the constantly increasing interests of this state demand recognition. In tariff revision, in mining and railway legislation, Nevada's interests demand careful safeguarding, and who can do this so well as a Republican congressman? Colonel Maxson is a gentleman of executive ability, personal charm of manner and with a flawless private and public record. He is an acknowledge friend of labor, and as secretary of the National Irrigation congress for some years, he has done great work for the arid west. Vote for him. He deserves it.

H. ATKINSON OUT FOR JUSTICE OF THE PEACE

One of the most active workers in the present campaign is Harry H. Atkinson, the Republican candidate for justice of the peace. Mr. Atkinson is an ardent worker for the Republican party and is not confining his efforts to ensure his own election, but is devoting his time to insure the election of the entire ticket.

Harry Atkinson is a Stanford law graduate, and during his residence in Tonopah has been connected with a number of prominent cases in both the justice court and the district court, and invariably he has been successful. He is a painstaking lawyer and an untiring student and is striving to secure a place at the head of his chosen profession.
